

ESPNIC NEWS – November 2011

- [Webcast of the 22nd ESPNIC Medical and Nursing Annual Congress \(2-5 November 2011, Hannover, Germany\)](#)

As a member of ESPNIC, you have the privilege of viewing these expert talks from your home/office (and even on your iPod Video or iPhone while traveling!) by accessing the ESPNIC member zone using your ESPNIC member login information.

In this Webcast/Video Podcast you will be able to view full multimedia presentations (reproduced laser pointer movements of the speakers, PowerPoint animations and more...). For selected talks, the PowerPoint slides are available for download as well!

- [Talks on the Go App - An iPhone, iPad & iPod Touch Webcast Application](#)

To access the presentation through the new "TALKS on the GO" iPhone/iPad/iPod Webcast App, please visit www.talksonthego.com or download it through the App Store by doing a search for: TALKS on the Go (Latest version 1.1.0 of the Application approved by Apple Inc. on July 14th features an advanced Search Engine giving results by relevance according to slide content).

Once installed on your device, simply enter your ESPNIC member username and password:

- [ESPNIC Sections](#) – Be an active member in our Sections !

In view of developing and expanding our activities and further involving our members, we are pleased to announce that in the coming weeks, ESPNIC will form specialised Sections focusing on various topics of the paediatric and neonatal intensive care field, to support its various scientific activities.

We would like to strongly encourage members to actively get involved in the Sections and support the Society's activities.

[Click here](#) for more information.

- [Renew your membership for 2012 !](#)

The ESPNIC Executive Committee is actively working on strategies to achieve the Society's goals and mission, improve the Society's attractiveness and widen the Society's activities, and we strongly feel that the continuous support from all our members is the key to our success. In order to carry on enjoying the ESPNIC membership benefits, and be actively involved in the Society, [click here](#) to settle your 2012 membership fees.

- [EAPS 2012, 6-9 October 2012, Istanbul, Turkey](#)

Join fellow leading paediatric clinicians, researchers and nurses in Istanbul for the prestigious EAPS 2012 Paediatric Congress Organised by Europe's foremost paediatric subspecialty societies, ESPNIC, ESPR and EAP, the congress aims to advance the quality of paediatric care and training worldwide by providing professionals from different specialties with a fittingly comprehensive scientific programme presented by a leading international faculty.

- [EFCNI White Paper on Maternal, newborn health and aftercare in Europe](#)"

ESPNIC values EFCNI's aims to ensure the best possible start into life through improved prevention measures, treatment and care of preterm and newborn infants as well as their long-term health through the implementation of adequate aftercare services. ESPNIC strongly supports EFCNI's work in "Caring

for tomorrow - the [EFCNI](#) White Paper on Maternal, newborn health and aftercare in Europe"

- [WFPICCS newsletter November 2011](#)
- [WFPICCS Survey on a knowledge sharing platform to serve paediatric critical care colleagues worldwide](#)

The Division of Critical Care Medicine at Children's Hospital Boston, in collaboration with the World Federation of Pediatric Intensive and Critical Care Societies (WFPICCS) and IBM, is developing a web-based educational platform, entitled Pediatric Intensive Care Unit Without Walls. We are interested in better understanding your perspectives and needs.

- [DG Apps - The world of professional medical apps at your fingertips](#)
DG Apps brings the best of the world of medical apps to the physician or healthcare professional, designed to help users find apps that are of professional interest, showcasing apps from internationally-renowned institutions and respected authors, new releases, popular risers and top user picks.
